

## OUR STORY

Welcome, you've just crossed the bridge to Turkey and arrived at the region's most celebrated presentation of authentic Turkish cuisine. They say the fun is in the travelling, not the arrival, but this can't be true. You've crossed the bridge and now discovered a true sense of place, where sensory variety, culinary excellence and warm hospitality abounds.

Bosporus is the embodiment of 'Tastefully Turkish', with several elegant dining venues across the UAE, where inspired cuisine meets the spirit and legacy of genuine Turkish traditions and puts back the honour in genuine hospitality.

We passionately bring Turkish flavours to life, through an array of carefully curated and skillfully prepared dishes, bursting with authentic aromas and flavours, all inspired by centuries of Ottoman cuisine. Every dish, every detail is a symbol of pride, and is cooked to perfection.

Celebrating Turkish heritage, the succulence of the meats, freshness of the fruits, salads and vegetables and meticulous attention to detail in the design, service and culinary philosophy, all deliver on our promise to give an unrivalled, authentic and informed dining experience, to share with friends and family.

This is a true sense of place, in a city of contrasts - this is your place.

Enjoy.
